

FilmLA is now accepting applications for film permits in LA. To get back to work safely it will be up to all of us to implement new hygiene and sanitation protocols that create a healthy working environment. **The LA County health protocols applicable to film production are now [available from the County's website](#).**

What Hurling Studios is Doing:

- Hurling Studios staff will be trained on CDC health protocol prior to returning.
- Hurling staff will be trained on set protocols established by LA County and trade unions.
- Hurling staff will wear masks and gloves in all public areas.
- Additional cleaning staff will be hired to clean before and after each production.
- Bathrooms will be sanitized every hour.
- Our studio will be equipped with Hand Sanitizer at each entrance and throughout the facility.
- PPE will be for sale by pre-order; masks, gloves, face shields, hand-sanitizer, and disinfectant spray, and signage.
- Equipment rentals will be limited at first, please pre-order rental gear so we can take extra time to properly sanitize for a safe check-in and check-out.
- All employees will be symptom checked every morning with 3 very important questions:
 1. Have you been exposed to anyone that has tested positive for Covid-19?
 2. Have you checked your temp/do you have a fever of 100 or higher?
 3. Do you have any of the following symptoms: coughing, shortness of breath, fatigue, sore throat, nausea, or loss of taste and smell?

What Your Production can do for all of our Safety:

- Maintain recommended social distancing not only on stage but in all common areas including bathrooms and kitchen.
- Scout the location before your shoot, to determine your safe-set zones, and plan for safe-distance-pathways.
- All talent, production, and crew should wear masks at all times.
- Wash hands and sanitize frequently.
- Perform symptom or temperature checks for all of your cast, production, and crew.
- Ensure that only necessary people are on-site at all times.
- Follow the [LA County Health Protocols](#)
- Stay informed with the latest guidelines set forth by the guilds; [The Safe Way Forward](#), [Back To Work Hub](#)
